Statement of commitment to child safety

Balnarring Primary school is a child safe organisation which welcomes all children, young people and their families.

We are committed to providing environments where our students are safe and feel safe, where their participation is valued, their views respected, and their voices are heard about decisions that affect their lives. Our child safe policies, strategies and practices are inclusive of the needs of all children and students.

We have no tolerance for child abuse and take proactive steps to identify and manage any risks of harm to students in our school environments.

We promote positive relationships between students and adults and between students and their peers. These relationships are based on trust and respect.

We take proactive steps to identify and manage any risk of harm to students in our school environment. When child safety concerns are raised or identified, we treat these seriously and respond promptly and thoroughly.

Particular attention is given to the child safety needs of Aboriginal students, those from culturally and linguistically diverse backgrounds, international students, students with disabilities, those unable to live at home, children and young people who identify as lesbian, gay, bisexual, trans and gender diverse, intersex and queer (LGBTIQ+) and other students experiencing risk or vulnerability. Inappropriate or harmful behaviour targeting students based on these or other characteristics, such as racism or homophobia, are not tolerated at our school, and any instances identified will be addressed with appropriate consequences.

Child safety is a shared responsibility. Every person involved in our school has an important role in promoting child safety and wellbeing and promptly raising any issues or concerns about a child's safety.

We are committed to regularly reviewing our child safe practices, and seeking input from our students, families, staff, and volunteers to inform our ongoing strategies.

Child Safety Code of Conduct

Our Child Safety Code of Conduct sets the boundaries and expectations for appropriate behaviours between adults and students. It also clarifies behaviours that are not acceptable in our physical and online environments.

We ensure that students also know what is acceptable and what is not acceptable so that they can be clear and confident about what to expect from adults in the school.

The [Child Safety Code of Conduct](#) also includes processes to report inappropriate behaviour.

Managing risks to child safety and wellbeing

At our school we identify, assess and manage risks to child safety and wellbeing in our physical and online school environments. These risks are managed through our child safety and wellbeing policies, procedures and practices, and in our activity specific risk registers, such as those we develop for off-site overnight camps, adventure activities and facilities and services we contract through third party providers for student use.

Our Child Safety Risk Register is used to record any identified risks related to child abuse alongside actions in place to manage those risks. Our school leadership team will monitor and evaluate the effectiveness of the actions in the Child Safety Risk Register at least annually.

Establishing a culturally safe environment

At Balnarring Primary School, we are committed to establishing an inclusive and culturally safe school where the strengths of Aboriginal culture, values and practices are respected.

We think about how every student can have a positive experience in a safe environment. For Aboriginal students, we recognise the link between Aboriginal culture, identity and safety and actively create opportunities for Aboriginal students and the Aboriginal community to have a voice and presence in our school planning, policies, and activities.

We have developed the following strategies to promote cultural safety in our school community:

- **Balbirooroo -Balnarring Community Wetlands**

Our innovative science program and sustainability program is supported with our incredible natural community resource, the Balbirooroo -Balnarring Community Wetlands that are a valued feature of our school grounds, our natural surrounds and school environment make us a very unique school. A school that is closely aligned in environment and teaching approaches to the needs and interests of our wider local community. Our incredible natural resources mean that our students can learn first-hand in nature about biodiversity and ecology. Our school and wider community is invested in learning about our indigenous culture, our planets' biodiversity and we all have a firm commitment to preserving and saving our natural world. We are all invested in educating our students and those around us about our indigenous and natural history and ensuring we nurture student's awe, love and wonder of the natural world and appreciation of how it contributes to our world.

- We have a strong and **embedded sustainability and Indigenous lens** that is woven through all of our rich curriculum and visually evident throughout our school. Students are taught about the history and culture of Australia's First Peoples as part of the teaching of the Victorian Curriculum.

- Koorie literature and artworks are used in planning relevant **Discovery Week inquiries. NAIDOC Week** is celebrated annually with a range of age appropriate cultural activities.

- **Bundjil project**

Foundation students participate in the local Bundjil project each year which includes learning days with elders; staff attend related workshops on dance, song, literature, craft to help plan for these events.

- Balnarring Primary School participated in a community project with Balnarring Pre- School, Balnarring Early Learning Centre and the **Balnarring Foreshore to create Bundjil's nest**, a community initiative to celebrate and honour our Indigenous culture. The 'Artists in Residence' program supported the creation of the community Bundjil sculptures. Bundjil is the Creator spirit and travels as an eagle. Bundjil required that everyone took responsibility for caring for the bubups (children) and the biik (land).

- We have a **plaque and labyrinth** at the entrance to our school that acknowledges and **honours our traditional owners of the land, the Boon Wurrung people of the Kulin Nation as the traditional custodians of this country.**

- We have a **large outdoor painting of Bundjil on our pathway to Kirinari** and in view from the Principal and Assistant Principal's offices.

- We support the **annual Wominjeka Festival held at Robertsons Park, Balnarring** by enabling aboriginal activities around boomerangs, flags, songs and clicking sticks.
- Staff are encouraged to participate in **local Cultural programs** and events e.g. Global Leader Project attended by staff outside work hours. We engage community Koorie speakers and educators such a local, Lionel Lauch, to teach students about Bush tukka, medicine, cultural conversation and healing.
- **Bi-annual Sustainability Fair**
Smoking ceremony, aboriginal performers, artists and artefacts are prominent in the school's bi-annual Sustainability Fair.
- **The Aboriginal flag** is permanently on display at the entrance to the office along with the Australian and Torres Strait Islander flags – they are also displayed in the gym at each whole school assembly.
- **Acknowledgement of Country'** Students read a child friendly 'Acknowledgement of Country' to begin each assembly. Weekly staff meetings begin with an 'Acknowledgment of Country'.
- **Our school environment** celebrates and displays our appreciation of our Indigenous culture with **Koorie cultural art works on display throughout the school and grounds**. There are sites around the school that acknowledge the local Aboriginal heritage, this includes the naming of areas such as 'Bimblemeer (*earth mother*) the outdoor sustainability centre and Kirinari (*place of learning*) the senior school building. There are Aboriginal paintings around the outside of the school (on buildings and fences)

Student empowerment

To support child safety and wellbeing at Balnarring Primary school, we work to create an inclusive and supportive environment that encourages students and families to contribute to our child safety approach and understand their rights and their responsibilities.

Respectful relationships between students are reinforced and we encourage strong friendships and peer support in the school to ensure a sense of belonging through implementing our whole school approach to Respectful Relationships, our student Code of Conduct, our school values, our whole school Buddy program and our regular House Activities afternoons.

We inform students of their rights through our whole school approach to Respectful Relationships and give them the skills and confidence to recognise unsafe situations with adults or other students and to speak up and act on concerns relating to themselves or their peers. We ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time. Students and families can also access information on how to report concerns at the school office.

When the school is gathering information in relation to a complaint about alleged misconduct or abuse of a child, we will listen to the complainant's account and take them seriously, check our understanding of the complaint, support the student and keep them (and their parents and carers, as appropriate) informed about progress.

Family engagement

Our families and the school community have an important role in monitoring and promoting children's safety and wellbeing and helping children to raise any concerns.

To support family engagement, at Balnarring Primary school we are committed to providing families and community with accessible information about our school's child safe policies and practices and involving them in our approach to child safety and wellbeing.

We will create opportunities for families to have input into the development and review of our child safety policies and practices and encourage them to raise any concerns and ideas for improvement.

We do this by:

- seeking input via Newsletter, School Council, student, staff and parent meetings.

- all of our child safety policies and procedures will be available for students and parents at the school office and can be found on our website <http://www.balnarringps.vic.edu.au/>
- Newsletters will inform families and the school community about any significant updates to our child safety policies or processes, and strategies or initiatives that we are taking to ensure student safety.
- PROTECT Child Safety posters will be displayed across the school

Diversity and equity

As a child safe organisation, we celebrate the rich diversity of our students, families and community and promote respectful environments that are free from discrimination. Our focus is on wellbeing and growth for all.

We recognise that every child has unique skills, strengths and experiences to draw on.

We pay particular attention to individuals and groups of children and young people in our community with additional and specific needs. This includes tailoring our child safety strategies and supports to the needs of:

- Aboriginal children and young people
- children from culturally and linguistically diverse backgrounds
- children and young people with disabilities

Complaints and reporting processes

Balnarring Primary School fosters a culture that encourages staff, volunteers, students, parents, and the school community to raise concerns and complaints. This makes it more difficult for breaches of the code of conduct, misconduct or abuse to occur and remain hidden.

We have clear pathways for raising complaints and concerns and responding and this is documented in our school's [Complaints Policy](#).

If there is an incident, disclosure, allegation or suspicion of child abuse, all staff and volunteers (including school council employees) must follow our [Child Safety Responding and Reporting Obligations Policy and Procedures](#). Our policy and procedures address complaints and concerns of child abuse made by or in relation to a child or student, school staff, volunteers, contractors, service providers, visitors or any other person while connected to the school.

As soon as any immediate health and safety concerns are addressed, and relevant school staff have been informed, we will ensure our school follows:

- the [Four Critical Actions](#) for complaints and concerns relating to adult behaviour towards a child
- the [Four Critical Actions: Student Sexual Offending](#) for complaints and concerns relating to student sexual offending
