

Balnarring Primary School

2027 Foundation Transition

Term 2 2026

The **Mini Scientist Program** and the **Mini Musician Program** offer enjoyable and hands-on experiences, providing students and a carer with a wonderful opportunity to become acquainted with Balnarring Primary School in an engaging and interactive manner.

Term 3 2026

- Bring your family down for a weekend picnic or a stroll through our wetlands.
- Our Foundation teachers will start visiting kindergartens to build relationships.

Term 4 2026

To help students concentrate on their kindergarten year, we've arranged formal transition sessions to occur in Term 4. These sessions will feature classroom activities, visits to Bimblemeer and the Library, and opportunities for students to meet future classmates and get accustomed to school routines.

Term 1 2027

In Term 1, we'll continue to support our Foundation students build confidence at school with:

- Alternate play times
- A gradual introduction to the school yard
- Early dismissal at 2 PM on Friday, January 29th
- Wednesdays rest days for the first five weeks

Additional Transition Support Available

We are committed to ensuring all of our Foundation students have a smooth and confident start. If your child requires additional support please come and chat to us and we can tailor our transition program to suit your child.

Local kindergarten teachers will be invited to attend the first and second session to support this transition.
